

User Policy Overview

To use the Watts Works Learning Program, you agree that Watts may send you email messages regarding your use of the Watts Works Learning Program. For example, we may email you to confirm that you have completed a course, have been awarded tokens or tickets, have redeemed tokens through the "Learn & Earn" program, etc.

Whenever we contact you by email, we will provide instructions on how to unsubscribe so that you will not receive any future emails. However, by unsubscribing you will not be able to continue using the Watts Works Learning Program.

Please view our [Terms of Use](#) for further information.

Tokens & Tickets

Tokens and tickets have no monetary value and cannot be interchanged. Tokens can only be redeemed for promotional lifestyle merchandise while supplies last and at the sole discretion of Watts. Token requirements may be changed at any time without prior notice. Tickets can only be redeemed as entries into monthly, quarterly, and grand prize drawings as part of a special, limited-time-only anniversary sweepstakes. **Watts Works Learning Program Accounts are limited to one account per user. Watts will not redeem tokens or award tickets for multiple accounts used by a single user.**

For additional information about the 150th Anniversary Sweepstakes, see watts.com/150sweepstakes. For a full set of sweepstakes rules, see watts.com/150sweepstakesrules

Eligibility

Watts Works Online Learning program is for Industry professionals employed in the fields of plumbing and heating, water management, water treatment, water distribution, and water conservation, similar plumbing industry services, or electric floor heating. The program is also for students and apprentices above the age of 18 who are training to become professionals employed in these fields.

Suppliers / Vendors and Homeowners are not eligible for our Learn & Earn program.

Consent

By clicking the **Request account** button I acknowledge that I have read, and I agree to and accept, the above Terms and Conditions, including the linked [Terms of Use](#) and [Privacy Policy](#).
